Dear Prospective Players:

Summer contact days are just around the corner. The Illinois High School Association (IHSA) allows summer contact sessions between staff members and prospective players during the months of June and July. At your convenience, please review the "Summer Training 2010" PDF file listed under Kahok Kopies. Training sessions during the week will take place at Drost Park in Maryville. Saturday sessions will primarily be used for full field scrimmage sessions and will take place at Collinsville Middle School (CMS) located off Collinsville Road.

Participants are required to bring a soccer ball, water and should be equipped in shin guards. Incoming freshman are allowed to attend. Please spread the word and let's start building the foundation to another exciting season of Kahok soccer.

Training sessions are NOT mandatory but HIGHLY encouraged. It is expected that players not in attendance are participating on their respective club or academy teams. Please e-mail questions to my attention at chssoccer@sbcglobal.net.

Yours in Soccer,

Coach Digirolamo
